

CEO BUILD 2025

Community Investors Building Affordable Workforce Housing

Knoxville Habitat For Humanity CEO Build – collaborating to create economic mobility & affordable homeownership opportunities in Knox County!

Affordable workforce housing plays a critical role in building a strong workforce. In Knox County housing costs are rising faster than income – we need your help to raise awareness and work together to help address this problem!

Local business leaders will raise hammers and funds to support local working families build strength, stability, and self-reliance through affordable homeownership beginning Friday, May 2 2025.

CEO Build Benefits:

- High corporate visibility & media attention
- Public recognition for your leadership and investment in our community
- Access to an exclusive cross-industry networking opportunity
- Strengthen corporate relationships outside of the workplace
- Set the standard for Corporate Social Responsibility
- Foster employee collaboration with a team-building day
- Participate in a growing project with a statewide and national vision of expansion
